## The DermaCo Pro System

The DermaCo Pro System offers the most technologically advanced aesthetic solutions for your skin care goals. The DermaCo Pro System uses a combination of

**"Thermotherapy"** - A warm disc application that increases the size of the blood flow allowing the pore to open in preparation for the next stage.

**"Diamond Tip Microdermabrasia"** - A deep clean mechanical exfoliation that removes dead skin cells and leaves the skin feeling refreshed and rejuvenated - other benefits include improvement of skin tone, colour and texture. Reduction of pores and oily skin. Help with pigmentation and fine lines caused by sun damage. Stretch marks and scars.

**"Ultra Sound"** - The Ultra Sound treatment will penetrate deep into the dermis allowing specific products to be absorbed. It will stimulate the skin tissue increasing cell regeneration, collagen production and reduction of fine lines and wrinkles. Aids the breakdown of fatty deposits reducing the appearance of

### "Bio-Lift"/Non Surgical face Lift

Uses microcurrent to tone and firm the facial contours. It tightens sagging skin, lifts the eyes, reduces eye bags and dark circles. Often referred to as the "non surgical face-lift".

### "LED Light Therapy" Includes 4 light therapies...

- Red - increases collagen and elastin production.
- Blue - create an anti-inflammatory. Anti-bacterial effect for problematic skin/acne prone skin.
- Green - has a smoothing effect on irritation and reduces redness.
- Yellow - encourages lymphatic drainage assisting in detoxifying the face.

"Cryotherapy" - Creates a soothing effect on the skin closing down the pores leaving the skin feeling refreshed and locking in moisture.
